

Dog's Name: Cooper (W02-356)

City: Omaha, NE

Cooper's Story:

I am very sorry to report that Cooper, my very best freind since we found each other through GRROW almost 3 years ago, lost a very heroic battle with cancer. He was a wonderful companion... the best dog I've ever had. I will always be grateful for the love and joy that he brought into my life. Mike Brenner
