

**Dog's Name:** Shelby Rose, now Meadow Rose

**City:** Northbrook

**Shelby Rose's Story:**

We adopted Shelby Rose in May of 2004. We changed her name to give her a new start in life. She is now Meadow Rose. Meadow was sent to us by our bridgekids. We lost two of our furkids in Feb. of 2004, 5 days apart. Our hearts were broken, to say the least. Our bridgekids saw us hurting, and sent our dear Meadow Rose to help fill that whole in our hearts. Thank you, Carol Williams, for being a wonderful foster mom! thank you GRRoW for the privilege of being a mom and dad to such a wonderful pupper. We love her dearly. Meadow Rose is home!
